Staff

Beth A. Richardson joined Sindrich & Associates in 1995. She specializes in wealth management, concentrating on retirement and estate planning for senior corporate executives and high net worth individuals. She began her career in financial services in 1989 when she became affiliated with IDS Financial Services, a wholly owned subsidiary of American Express.

Beth is a graduate of the University of Texas in Dallas with a Bachelors of Science degree. She holds the professional certification of Certified Financial Planner[®]. She is a Registered Principal and Investment Advisor Representative with NFP Securities, Inc. She is also a member of PartnersFinancial, a powerful national network of some of the most prestigious firms in the insurance and financial service industries.
